Sub: Industries- Sericulture - Government Silk Filature, Kollegal-repairs to the wells of the labour colony-expenditure-sanction of.
Ref: G.O.No.Ms.677 Development dated 17.2.44.

In the G.O.cited above, Government sanctioned an expenditure of Rs.50,500/- for the construction of 40 quarters for the labourers in the Government Silk Filatures, Kollegal including the construction of 2 wells 6' diameter and 20 feet deep at a cost of Rs.1800/- The Sericultural Expert has now reported that these two wells have to be repaired as their platforms have been badly cracked requiring replacement. After inspecting the wells, the Supervisor of the Public Works Department has prepared a detailed note explaining the need to repair the wells, on the basis of which the Executive Engineer, Public Works Department, Salem Division, Mettur Dam, has prepared and forwarded an estimate for Rs.500/-. The centage charges at 14% of the amount of the estimate work out to Rs.70/- as the work has to be executed by the Public Works Department.

As the total expenditure viz., Rs.570/- on these special repairs exceeds the limit of 1/2% on the capital cost laid down in the standing order 19 in respect of the Government Silk Filatures, Kollegal, approved by Government in G.O.No.2099, Development, dated 30.5.45, as detailed below, I request that Government may be pleased to sanction an expenditure of Rs.570/- for the purpose:

Capital cost ..	Rs.26,399-11-10
1/2% on ,,	Rs.132/-
Amount of estimate:	Rs.570/-
Excess	Rs.438/-

The expenditure is debitable to 43... Industries- P. Government Silk Filatures - 5. Other charges. I request early orders of Government. The estimate sent herewith may kindly be returned.
